Implications

PPC Cost Expectation: Medium (\$0.85-1.40 CPC)

- Not extreme, but budget 30-40% higher than estimates
- Sponsored positions available but competitive

Organic Ranking Difficulty: Medium-High

- Need 300-500 reviews for page 1
- 6-9 months realistic timeline
- Strong PPC required during launch

Listing Quality Opportunity: YES

- Most listings are 3-4/5 quality
- Video and lifestyle photography underutilized
- Size guides and comparison charts are missing
- A+ content not universal

Recommended Strategy:

1. Premium positioning (\$28-32)
2. Superior lifestyle photography
3. Video demonstrating expandable feature
4. Target long-tail keywords first
5. Aggressive PPC on "expandable" variants
